

Armenian Charity Runners Team | Yerevan Spring Run 2017 Charity Campaign For Special Orthopedic Shoes for Children with Cerebral Palsy

REPORT

WE RAISED

2 726 776

AMD

990 000 AMD

Our goal for the Yerevan Spring Run Charity Campaign was to raise 990 000 AMD for 33 pairs of special orthopedic shoes for children with Cerebral Palsy.

We raised a total of 2 726 776 drams.

THE TEAM OF

59

CHARITY RUNNERS

2 teams

There were 9 individual runners and 2 running teams: #MamaBalikRun team had 39 runners and Group 2 team had 11 runners.

4 participants from the Group 2 took the first place at the team relay race.

MORE THAN

116

DONORS

Donors

63 donors made 66 donations through the Yandex.Money platform. 3 donors made 3 donations to the bank account of the "Armenian Mothers" NGO. 8 donors made 8 donations through the "Generosity" fundraising website. More than 10 donors donated cash to runners (because there were some group donations, the actual number of donors remains unknown). We also received 32 SMS donations.

THE BIGGEST DONATION OF

2 050 \$

WAS MADE THROUGH [GENEROSITY.COM](https://www.generosity.com)

In memory of Marc Tognozzi

On the last day of our charity campaign we received a donation of 2 050 \$ from **Sona C Gallatin** with the message "In memory of Marc Tognozzi". This donor was attracted by our newest charity runner **Naira Margaryan**. This donation itself is equal to the goal we had announced in the beginning of our campaign - 990 000 drams.

\$2,050

in memory of Marc Tognozzi

THE MOST ACTIVE RUNNER ENGAGED

35

DONORS

The most active charity runner

Our new member Vilen Garamov ran his first race as a charity runner at the Yerevan Spring Run 2017. It was his 32nd birthday. 35 donors from around the world supported him, making a total contribution of 475 800 drams. This sum in itself is the half of our desired goal.

WHAT THE EXTRA

1 736 776

DRAMS WILL GO TO

Our plans for the additional funds

The extra 1 736 766 drams will also be donated to "Armenian Mothers" NGO and used for purchasing another 57 pairs of special orthopedic shoes.

All in all we will be getting 90 pairs of shoes instead of 33 that we had set as our goal.
